About Glam Healthcare Inc.

Glam Healthcare is committed to providing outstanding in-home care services customized to meet each client's specific requirements. Our compassionate and attentive team understands that no two clients are alike, and we strive to actively listen to their concerns and collaborate with their families and physicians to develop a personalized care plan. Our primary focus is on providing excellent care to seniors, adults, and children with special needs, ensuring that they feel secure and comfortable at all times.

We firmly believe that everyone deserves the chance to enhance their quality of life in the comfort of their own home, especially those who are managing a long-term or lifelong health condition. Our team works closely with each client and their physician to develop a personalized healthcare plan catering to their needs. Our primary objective is to make our clients feel at home, provide them with essential tools and assistance, and deliver the necessary care and services. Whether you're a senior citizen who needs a caregiver or someone recovering from a serious illness, we're committed to helping you achieve your caregiving needs, health goals, and overall well-being.

OUR SERVICES

Homemaking Care

Glam Healthcare offers personalized care services to aid daily routines, empowering clients to maintain independence and dignity in their homes. Our experienced caregivers understand the challenges of age, illness, disability, or other limitations and are here to assist, enhancing our client's quality of life in a comfortable environment.

Companionship Care

Companionship is essential to meeting our human need for connection. Emotional support, empathy, and a sense of belonging help us create deep relationships. Glam Healthcare recognizes the importance of companionship to our client's health and welfare and strives to help them.

Live in Service

Glam Healthcare has two types of care: live-in and residential. Live-in care is for those who need round-the-clock support, and is perfect for seniors or individuals with chronic illnesses.

Non-Medical Transportation

We offer non-medical transportation for those with mobility limitations or disabilities, as well as seniors who struggle with traditional modes of transportation.

Transportation

Need reliable transportation to appointments or desired locations? Try Glam Healthcare's transportation home care service for safe and on-time arrivals. Perfect for those with limited mobility or special care requirements.

Personal Assistance

Our skilled caregivers provide one-on-one care, helping with daily activities, medication management, and companionship, fostering independence and enhancing the overall quality of life for our clients. Your well-being is our priority.

Respite Care

Respite care can provide a break from daily activities for everyone, reducing stress and maintaining balance. Glam Healthcare offers the necessary support and comfort when needed.

Chores

Our Chores services at Glam Healthcare are designed to alleviate the burden of daily household tasks. Our

dedicated team ensures a clean, safe, and comfortable living environment, fostering a sense of security and peace of mind for our clients.

Medication Reminders

Glam Healthcare offers in-home medication reminders to help patients stay on top of their medication schedules and improve their health.

Meal preparation

In-home care services specializing in meal prep make a difference for seniors, disabled, and post-surgery patients. Glam Healthcare makes meal planning, grocery shopping, and cooking easier.

Customized Non-Medical Services

We recognize that occasionally folks need a little support with daily chores but don't need medical attention. Personal non-medical home care can help. Customized care fosters independence, comfort, and well-being. We want to help you or your loved one feel protected and cared for.

Personal Care

Personal Care services at Glam Healthcare offer dedicated and compassionate support for your loved ones in the comfort of their own home. Our team of skilled caregivers ensures personalized assistance, promoting independence and enhancing overall well-being with utmost respect and dignity. Your care is our priority.

Supported Living 24-Hour Care

Glam Healthcare offers Supported Living 24-Hour Care for people with physical or cognitive disabilities who need help with daily duties. This program helps people with disabilities, chronic diseases, or aging needs stay independent in their homes.
